

MSJ EMPLOYER ENGAGEMENT MENU

2026-27

SIGNATURE EVENTS

Fall Career Fair | *October of Every Year*

Registration is through Handshake. The cost to attend is \$225 (for 2 representatives & lunch is included). Career Fair Sponsorships are also available for \$350.

Spring Career Fair | *March of Every Year*

Registration is through Handshake. The cost to attend is \$225 (for 2 representatives & lunch is included). Career Fair Sponsorships are also available for \$350.

Mock Interview Events | *Year-Round Opportunities*

Each semester we host virtual mock interviews for students taking the "Career Foundations: Preparing for Co-op" course. Individual departments are looking for employers to participate as well, both virtual and in-person.

INDIVIDUAL EMPLOYER EVENTS

Educational Workshops | *Fall and Spring Semesters*

Industry-focused programming for students led by an employer; this may include but is not limited to sharing industry insights, case workshops, technical interview prep, alumnae panels, in-classroom activities, current field trends/ climate, etc.

Campus Tabling | *Fall and Spring Semesters, Mon. and Wed.*

A tabling event is an opportunity to set up a booth with promotional materials in the lobby area of one of our academic buildings. These areas have a high level of student traffic, and allow you to target specific majors by holding the event in an academic building. The setup is similar to a career fair and allows for a spotlight opportunity as your organization would be the only company hosting a table that day.

Scan this QR code to schedule.

Coffee Chats | *Fall and Spring Semesters*

Informal way to get to know MSJ students 1:1 – Can be hosted in-person or virtually. The Career Center facilitates the connection, and companies are responsible for providing a link for virtual chats.

On-Campus Interviews | *Fall and Spring Semesters*

Interviews are held in the Career & Experiential Education Center with convenient parking and interview spaces with wireless Internet access. Dates are available throughout the fall and spring semesters. Schedules are entered into Handshake with your date/time preferences, including a job description. Then, students and/or alumni meeting your minimum requirements register to interview in predetermined time-slots.

EMPLOYER PARTNER PROGRAMS

Premier Recruiting Partner

Includes bespoke programming for employer partners that would like full access to recruiting students at the Mount for the academic year. \$2,000 annual participation fee includes:

- Three annual engagements
- Entry to our Fall and Spring career fairs at the sponsor level
- Consultation and planning meeting with the Employer Engagement team
- Enhanced employer promotion on Handshake and via campus-wide emails

DEPARTMENT EVENTS

Schools and departments at the Mount have various events happening throughout the year. If you have a specific school or department that you are interested in partnering with, we would be glad to share what they have coming up and connect you.
