BEYOND THE CLASSROOM

HANDS-ON EXPERIENCE

The Mount's state-of-the-art, high-fidelity, human patient simulation lab provides students with hands-on learning.

Clinical experiences and service learning immerse students in the real world and provide rich opportunities for experiential learning and the application of skills and knowledge learned in the classroom. Students work under the supervision of a faculty member and an agency professional in a variety of non-profit and for-profit organizations and community partners.
